Applying for a place at college is a big decision so it's important to fecus on everything carefully. You need to mix up studying hard to ensure you get the necessary grades. It's important to face up to all the work you do so you have a record of everything. Write the application dates of the different colleges on your calendar so you don't get them in. Finally, back up the fact that you might not think through to your first choice of college, so be sure to have a plan B.
