

Dear Alex,

Thanks for your email. It was lovely to hear from you. I`m glad you had a pretty good party.

Well, you asked me about a mountain activity. I`d say that my favourite thing to do in the mountains is snowboarding. Snowboarding is a winter Olympic sport, which consists in descending from snow-covered slopes and mountains on a special equipment – a snowboard. You need to be careful, strong and responsible because this is a dangerous sport.

I love it because I like to feel extreme when I snowboard downhill. It`s such a lot of fun when you do it with your friends or family. What is more, I like to see beautiful landscapes of nature. At such moments I feel really blissful.

I hope that`s useful for you. Let me know how your project goes!

Lots of love,

Arina
