Writing

My ^{name?} Hello, it's Liza. How are you? My parents and I have been in Italy ^{for (как вы уже побывали в Италии)} for a few days. We are waiting for food in our room. Yesterday we walked around the city. Tomorrow I'll go to the beach and my parents will go to the shopping centre. We will be back home in 5 days. So, I think this trip will be wonderful. See you soon.
