Hello, Varya!

I'm in Paris at the moment. I have already been there for four days. It's really cute place! There are two pools, a great restaurant and a comfortable connection with staff. The weather, let's be honest, is so bad. It's always cloudy and today is rainy too. Yesterday I walk through the streets and ate the best croissants. Tomorrow I am going to visit The Eiffel Tower and after that I am going to a restaurant. I miss you so much, but a week later I'll come home! I wish you were here.

With love,
Sonya.
